Frequently asked questions

Q- HOW DO I KNOW WHAT PACKAGE IS RIGHT FOR US?

A- Wedding coverage starts 2 hours prior to the Ceremony and goes on from there. Travel time needs to be considered when the Ceremony and Reception are held in different locations. A time line is designed for every event to cover all the details and photography needs and we can talk about all this during the consultation where I get to know exactly what you are looking for. Is your event 12 or 14 hours? Our top package includes 10 hours coverage and two photographers but if your event is longer, no worries, we can always accommodate you! You can add additional hours for an additional fee.

Q- HOW LONG WILL IT TAKE FOR US TO RECEIVE OUR FINISHED IMAGES AFTER OUR WEDDING?

A- You should receive your sneak peek within 24 hours and your complete gallery will be ready 6-8 weeks following your wedding.

Q- DO YOU HAVE LIABILITY INSURANCE?

A- Yes, I can provide a proof of insurance for your venue when is required.

Q- HOW MANY PICTURES DO WE GET?

A- I deliver an average of 50-70+ high quality pictures per hour of wedding coverage.

Q: DO YOU EDIT THE PHOTOS?

A: Yes! I take pride in my work and all pictures will be edited.

Q: DO YOU CHARGE A FEE FOR TRAVELING?

A: I do add a fee when I have to travel more than 50 miles, but we can talk about that in the consultation.

Q: I HAVE CHOSE YOU AS MY WEDDING PHOTOGRAPHER. HOW DO I BOOK WITH YOU?

A: After talking about all the details of your wedding day during your complementary consultation, I will be sending you a contract to sign including everything that we have talked and agreed to do. The contract is mandatory for all my clients. This contract is short and easy to understand. Since the contract is electronic, you can sign in from the comfort of your home. After the contract is signed, the 25% retainer will hold your day. The remaining balance is due 4 weeks prior to your wedding.

"Gloria was the photographer for my wedding and her work is AMAZING. She pays attention to detail and she captures all of the little moments most people would not think about. I have many pictures from the venue, decorations, family, and the bridal party. I highly recommend her for wedding photography. We could not have been any happier with how our pictures turned out."
