PC PERKS TERMS AND CONDITIONS

To become a Rodan + Fields® (R+F) Preferred Customer, you must enroll in PC Perks, a bi-monthly auto-replenishment program. An initial order consisting of an R+F Regimen or other combination of products totaling a minimum of $80.00 at the Preferred Customer price must be placed at the time of your enrollment as a Preferred Customer in addition to a one-time, non-refundable $19.95 PC Perks enrollment fee. You may change your replenishment order up to one day prior to scheduled shipment, provided that the order continues to total a minimum of $80.00 at the Preferred Customer price. Your initial order will be shipped promptly upon completion of enrollment. If your initial order is received by us on or before the 20th of the month, your second replenishment order will be billed to your credit card and shipped approximately 60 days after the shipment of the initial order. If your initial order is received by us after the 20th of the month, your second replenishment order will be billed to your credit card and shipped on the 20th day of the second month following the shipment of your initial order.

As a Preferred Customer, you receive a discounted price on all product purchases and may, from time to time, receive additional loyalty-related benefits. Once your Preferred Customer account has been established, all orders placed through your account, whether as part of the bi-monthly replenishment or not, qualify for Preferred Customer pricing. All replenishment orders are shipped via free ground shipping. Standard shipping will be charged on all non-replenishment orders (ad hoc orders placed outside the 60-day-replenishment period). All orders are subject to a $2.50 handling fee.

You may enroll in PC Perks through a Consultant's Personal Website or through the R+F Website. You must provide the required information, including a valid credit card, for the initial order and auto-replenishment billing. If your credit card, shipping address or other information needed to process your auto-replenishment order is not kept up to date or otherwise prevents us from processing your order, your PC Perks account may be subject to termination. Before terminating your account, we will attempt to reach you via the e-mail address we have for you on file to give you an opportunity to provide the information we need to process your order.

If you enroll in PC Perks through an R+F Consultant, that Consultant will be deemed your Preferred Customer Sponsor. If you wish to change your Preferred Customer Sponsor you must terminate your Preferred Customer account and wait a minimum of 90 days to re-enroll. If you choose to become an R+F Consultant after becoming a Preferred Customer, your Preferred Customer Sponsor will be deemed your Sponsor. If you choose to become an R+F Consultant under a different Sponsor after becoming a Preferred Customer, then you must discontinue your Preferred Customer account for a minimum of 90 days before signing a Consultant Application under a different Sponsor.

You may cancel your Preferred Customer account at any time by logging in to your PC Perks account, clicking "Change My PC Perks Status" and then clicking "Delay or Cancel my PC Perks" at least five business days prior to scheduled shipment of your auto-replenishment order. Should you wish to return your initial shipment or any subsequent shipments under the terms of R+F's sixty-day satisfaction guarantee, you will receive full credit for the order according to the Company's return policy.

As a Preferred Customer, you will be identified by your e-mail address and you will select a password when you enroll in PC Perks. Upon entering the R+F Website or your Consultant's Personal Website, you must log in to identify yourself as a Preferred Customer in order to view and access the Preferred Customer pricing, or to update your order, billing or other information on file with R+F.

To remain a Preferred Customer, you must remain enrolled in the bi-monthly auto-replenishment program. You may not re-sell your R+F product purchases.

All terms and conditions associated with the use of the rodanandfields.com website apply to you as a Preferred Customer. R+F may amend the PC Perks Terms and Conditions and the website terms of use from time to time at its discretion.
