WEDDINGS

We believe that all people should be able to celebrate their love surrounded by family and friends. We welcome ceremonies of all backgrounds, orientations, and beliefs.

The CHIJMES Hall is a charming chapel space that houses an intimate stage and high vaulted ceilings, clad in warm wood tones and industrial support structures. Elegant modern chandeliers adorn the ceiling and intricate stained-glass windows, original to the chapel and preserved from its previous lifetime, cast a gorgeously ethereal luminance in daylight. Soft white walls and hand-stained wood flooring complete the Hall's charming aesthetics. Beyond the sanctuary, the bride's private dressing room, the groom's manly African theme inspired suite and other versatile spaces provide behind-the-scenes comforts. Add an outdoor patio, the Boardroom and a catering kitchen makes this space one of a kind.
