DJ & Live Music

Services, Packages etc.

795 - **Large Room**: DJ/MC service up to 6 hours. Bose system or Electro-voice speakers by the dance floor and 2 powered speakers located near the back of the room. Computer controlled dance floor lighting, (four DMX color changers, effect lighting and 2 scanners).

If you're having 200 or more guests, extra speakers are important so everyone can hear music and announcements.

625 - **Mid sized**: DJ/MC service up to 5 hours. Premium sound system, wireless mic, computer controlled dance floor lighting, (four DMX color changers, effect lighting).

450 - **Party Package:** - DJ/MC service up to 4 hours. Premium sound system, wireless mic available for speeches.

200 - **Uplighting**: 12 lights around the room against the wall pointed toward the ceiling. A nice ambiance for rooms where the house lights can be dimmed or turned off completely. Can usually be done with your wedding colors.

150 - **Ceremony Add-on**: Includes a separate sound system at a different site than the reception. 30 minutes of pre-Ceremony music (during seating), lav mic for your officiant and pre-recorded music for your Processional/ Recessional. May be combined with any DJ package above.

75 - **Ceremony system at the reception site:** Same as above, but in a different room or different outside area of the reception site.

100 - **Live acoustic guitar** for your ceremony or cocktail hour.
