MALLINSON

VINEYARD & HALL

Thank you for your interest in Mallinson Vineyard and Hall. We are very proud of our historic building, tucked sweetly into the Sugar Creek community. Once a one-room school house, our building has kept much of its original charm and nostalgia.

We have both indoor and outdoor facilities and can accommodate 150 people inside and 200 people when utilizing both indoor and outdoor facilities. The best part of getting married in a vineyard; you guessed it, the wine. We would love for you to come in anytime between noon and 4 pm on Saturdays for our wine tasting. It is a great way to get the lay of the land without a guided tour.

We are not just for weddings, though. Consider us for your next family reunion, class reunion, wedding shower, anniversary, rehearsal dinner, birthdays and more. Our peak season is April-October for weddings, but we are open and available year-round with discounted prices November-March.

Want the tour guide? Please feel from to call us and schedule a visit.

You can find us on Facebook and on Wedding Wire, where you can look over our reviews and see photos.

Thank you again, and we look forward to helping you with your special event.
