Officiating Services

I have a package to fit every couple's needs and budget. Don't see one that fits exactly? I'll customize one just for you that is perfect for your ceremony.

Civil Ceremony — Package fee - $150.00

My Civil Ceremony is the most basic of the packages. These ceremonies are perfect for couples looking to tie the knot in a quick, but meaningful manner.

- Set ceremony script
- Experienced, professional and caring officiant for your ceremony
- Marriage license(s) sent by certified mail back to the County Clerk of Record
- Can be performed anywhere within Mecklenburg County - outside of county may include a small travel fee

Planned Ceremony with no rehearsal — Package fee - $400.00

In some cases, a wedding won't require a rehearsal. If that is the case, this is the perfect package. If the wedding is small (just bride and groom) or with a small wedding party (1 to 2 in the wedding party), you can usually get away without a rehearsal. In all other cases, we highly suggest a rehearsal to ensure adequate practice before the big day.

- Ceremony, wedding vows, and custom script development for the big day
- As much phone and e-mail communication and personal face to face consultation as needed
- Experienced, professional and caring officiant for your ceremony
- Marriage license(s) sent by certified mail back to the County Clerk of Record
- Memories that will last a lifetime!
- Travel within Mecklenburg County - a small travel fee may incur if outside the county

Planned Ceremony with rehearsal — Package fee - $550.00

Adding a rehearsal to your ceremony gives you the peace of mind that you know exactly how the ceremony will be orchestrated. We suggest weddings with a bridal party of more than 4 participants (2 bridesmaids and 2 groomsmen) have a rehearsal.

- All items included in above package
- Rehearsal ceremony, support and organization during the rehearsal
