Testimonials

TESTIMONIALS

"This venue is an amazing place for anyone to have their wedding. The location is absolutely beautiful, the services provided through their all inclusive package were exceptional, and lastly, the main wedding coordinator Kathy, is in my experience one of the best to work with. Any venue can be great but the [staff] is what makes the difference. Kathy was able to help me with all of my needs, she was very responsive and she solved every problem or issue that I had throughout the process. On the day of the wedding, she made sure everything went as planned. I would recommend this place if you want a safe, reliable, and dedicated venue to make your wedding day great!"

~ ZsaVay and Patrick's wedding

"The whole experience with Anthem Country Club was amazing from the beginning to end. Every detail was seen to. The venue is beautiful, the staff professional, and the food delicious. As the mother of the bride, I expected questions and problems to handle. From the time I arrived to the very end everything went smoothly and as planned. I was a participant in the wedding not a solver of problems. The most heard comment from guests was "most epic wedding ever". My thanks to the staff of the Club for providing such an amazing experience."

~ Kirsten and Michael's wedding

"This is such a beautiful place to have a wedding at. The location is breath taking, and everyone enjoyed all of the accommodations. This was the best place we could have chosen to get married at. The service and structure was always on point. It was the greatest few months of our lives and it could not have been any easier or more efficiently ran. Thank you anthem country club and all staff that made that night the way it was."

~ Kelsey and Trevor's wedding

"The staff at Anthem Golf & Country Club were fantastic. Our daughter did not have to think/worry about anything. The staff took care of everything and the wedding was FANTASTIC."

TESTIMONIALS

"This was a beautiful venue! We were so happy that we chose it because everything was perfect. Kathy, the wedding coordinator, made everything so easy especially since this was a destination wedding for us. She was great to work with and she made sure that we stayed within our budget. Plus, all the vendors she selected were great! We could not have chosen a more perfect venue than Anthem County Club."

~ Czarina and James' wedding

"We chose Anthem Country Club for our daughter's wedding and it was absolutely beautiful. The ceremony was on the lawn in front of a group of trees. We hung a crystal chandelier in the trees and lined the aisle with flowers. The country club provides so many things you need, it made it easy for us to add our special personal touches. The grounds are so gorgeous! It must be a photographer's dream venue for wedding photographs! Our photos turned out so awesome! Kathy Cuaderno, the event director, came in the dressing room for the bride and bridesmaids before the wedding and showed the photographer a spot to take the most incredible photo of my daughter in her dress! The photographer would not have seen that spot on the window ledge. I really appreciated that! The reception was outdoors on the patio and the Country Club provided the meal. We had so many compliments on how beautiful our venue was and the food was delicious! I heard many of our guest went back for seconds. Kathy Cuaderno and her assistants were all so easy to work with and professional. They shared ideas used in the venue by others that was very helpful. They wanted my daughter and son in law's wedding to be special and we felt and saw that throughout the planning and the wedding itself."

~ Megan and Jon's wedding

"We can't say enough good things about Anthem Golf and Country Club. We planned our wedding from Canada with periodic visits throughout the year. The responsiveness and expertise were exceptional. We didn't have to worry about forgetting anything because the team at Anthem Golf and Country Club remembered everything, including details we loved but couldn't have thought of ourselves. The vendors they work with know the venue well and have great suggestions based on experience. The staff at Anthem Golf and Country Club are extremely professional and personable. The venue is phenomenal with gorgeous mountain views. We had so many comments from guests about the beauty and quality of the venue, the deliciousness of the food, and the smoothness and specialness of the ceremony. The staff at Anthem Golf and Country Club truly [goes] above and beyond-- we knew our wedding would be special, but we didn't realize how much fun we would have!"

Health code laws prohibit food and beverages remaining at the end of the function, with the exception of special occasion cake, from being removed from the premises. If the number in attendance exceeds your guarantee given, the Club may prepare additional meals, if possible, and the host will be charged a higher rate for each additional guest; the same meal cannot always be promised should your attendance be greater than your guarantee.

DEPOSITS & PAYMENT SCHEDULE

When scheduling an event, a signed contract and minimum deposit is required to secure your date.
