About Us

What our clients can 100% count on

1. Experience and knowledge
2. Excellent service - See Reviews on Wedding Wire
3. Proven 10 year wedding photography business
4. Complete Satisfaction and 100% dedication to your day
5. Non stress style to photographing Your Big day
6. Awesome Images to keep forever

Our clients complete satisfaction is our primary goal when we are hired. We take great pride making sure that your wedding is absolutely perfect and its photographed as you have envisioned. We love to be artistic and create awesome images but we firmly believe that providing the best service possible for your wedding is the key to our success. Our clients love our work ethic and our stress free approach to capturing weddings.

Wedding Package Prices

\$2,200.00 + tax - 1 photographer package

2. Includes most of the items in our 2 photographer package

\$2,550.00 + tax - 2 Photographer Package

1. Two photographers (male/female team) 10-11 hrs. of coverage
2. All images are provided to the clients on thumb drive
3. Both sets of parents get a link to download images
4. Images are edited- cropped, color corrected, sharpened and ready to print
5. All images are 2.5-3.0 MG in size at 275 ppi
6. Images are delivered within 1-2 weeks after your wedding.
7. We post a sampling of images to your Facebook pages
8. Signed print release to print at any lab you choose for personal use only.
9. Engagement session - Includes a 16x20 gallery wrap- \$375.00 value

\$450.00 + tax - Upgrade with 80 artistically enhanced images*

We return all usable images to our clients from their wedding day. Picture counts often exceed 1000 images when two photographers cover the event. Images are cropped, color corrected, sharpened, and are ready to print up to 11x14 in size.

*When clients upgrade with 80 artistically enhanced images we remove things like exit signs, correct improper body shape, and a host of additional artistic post processing to your selections so they can be printed on a larger canvas and these files are returned at 5-6 MB at 285 ppi for large print and album design needs.

\$550.00 + tax - Album Design Fee - Includes 80 artistically enhanced images*

Additional editing must be done to image files to make sure they are album print ready. Also, larger files must be submitted to the album companies.

1. Clients select images for their albums
2. All Album files are artistically enhanced to prepare for printing
3. Album design images returned to clients at 5-6MG in size
4. All album page files provided to clients
5. Couples may order any album from any of our 30 album suppliers at cost
6. You are only paying for the labor and time to design the album.
