ABOUT ME:

I'm Micaela, the owner & lead photographer of Mac Jones Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Greenville SC, I've been shooting weddings for almost ten years now. I could not have dreamed of a better job and have absolutely adored every couple I've met in the last few years.

After starting as a second shooter for some incredible photographers, I started documenting weddings of friends and family members to build up my portfolio. In 2017, after getting married, I decided to make photography my full time job. It has been a long journey with lots of struggles and bumps along the way, but I couldn't be more thankful with where I am now with my business as a photographer. It truly is the best feeling in the world.

FAQ:

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release. You will be able to print through my gallery site or through any site you wish.

Q: How many photographers will be there at our wedding?

A: Depending on the package you go with will determine the number of shooters that will be there. I am more than happy to talk through the pros and cons of both.

Q:Why are engagement sessions included in each of your packages?

A:A big part of the wedding process is getting to know your vendors. When we spend time together before your big day, I have the chance to get to know the two of you. You are investing in a relationship, not just photos.

Q: How long does it take to get our gallery back?

A:Depending on the season, I typically retrun galleries by 4 weeks out. The contract is written for 8 weeks but it rarely ever takes that long.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but specific edits will be charged separately.

MORE QUESTIONS:

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you! Once booking with us, I am more than happy to talk through who are favorites are!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest professional equipment. We are constantly updating our equipment to keep up with the industries updates and technology.

Q: Do you photograph destination weddings?

A: Yes! I've shot several destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% non-refundable deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding.
