

We would love to chat. This is how we work things- reach out, we will set up a time to talk about your décor and floral needs (in person or over the phone) and then we will type up a detailed proposal for you to go through. It will remain flexible so you can adjust it to fit your budget. We do have a \$2500.00 minimum order (can include delivery and set up fee) for the May-November weddings but you may utilize our no minimum pick up option if that suits you best.
