2020-2021 Wedding Performance Pricing

Rehearsal Dinner $150

If your wedding has a lot of moving parts you may ask the ceremony musician(s) to be available for rehearsal.

Ceremony Music $300

This includes a consultation with the couple and/or their wedding planner, one custom music arrangement, sound reinforcement (if necessary), 30 minutes of prelude music, processional music, an interlude if requested, and recessional music.

Additional Custom Music $50/ea.

Custom arrangement requests can be made up until ten days before your wedding day. These arrangements are written for the guitar so the melody and harmony can be played simultaneously.

Cocktail Hour $90

An hour of classical, flamenco, and jazz music arranged for guitar.

Travel Expenses 55¢/mi.

For weddings and events that are more than 10 miles outside of Portland. For example, a wedding in Freeport is $22 (40 miles), Rockport is $90 (164 miles), Blue Hill is $155 (280 miles).

For every wedding I perform I arrive 30 minutes before prelude music is scheduled to begin. The location you choose will need to supply power if I am to amplify the guitar. To secure the date you can make a 50% deposit via Venmo. The balance is due any time prior to the day of the wedding.
