About Us

We provide customized wedding planning services to meet each individual bride's needs. We offer a variety of services including design consultation for those DIY brides that need someone to help them with their creativity, to day of coordination, to full end to end planning. We are fortunate to have handy woodworkers in our family so we can also create customized signage, backdrops, ceremony arbors or props for the event. Contact us today to set up your free consultation as we would be honored to be part of your special day!
