Sheridan,

Mary and I wanted to express our gratitude to you for your participation in our wedding on the 8th. Your courtesy and professionalism were both second to none. You and your service made all of us that night feel very special, and the memories from that night will last us our lifetime. Z96 definitely chose the right limo service for this event, and anyone whom is fortunate enough to receive your services in the future will undoubtedly walk away with equally fond memories I'm sure. Again! Thank you for being a part of our big day at Big Kahunas. If you have any place on your website to post comments, please let us know. I think everyone looking to hire you needs to know what they'll miss if they don't. Very Respectfully, Joseph and Mary Green
