There are several options for your next event. Each site offers our guests a unique and inviting space designed to include everything your reception or wedding would need in a venue that can accommodate up to 150 guests.

Elopement Rim Site

Imagine a perfect ceremony held on our gorgeous rim situated over Sedona on a small arise surrounded by the beauty of our red rocks and lush gardens. Site is designed for 10 guests.

Koi Pond Site

Our Water feature meandering through our lush gardens where you can have an intimate wedding of 25 - 30 join you for a bridge/Koi pond ceremony site, continuing in a tradition of wedding celebrations. The lush greenery that crowns our gardens blooms year-round with the park like beauty and the majestic cacti abound in Arizona with varying shades and seasonal abundance.

Outlook Site

The Outlook offers a charming spot for an intimate wedding with views paralleled to none throughout Sedona. No other wedding site has views that can remotely compare to the breath-taking red rocks beauty. Sky Ranch Lodge welcomes wedding ceremonies and receptions of up to 150 guests.
