floral creations for the modern bride

We do not offer “package deals” at Town and Country Gardens, we have found that providing a personalized quote to each of our brides ensures that they will receive only the items they need for their special day.

We are also aware of the ever changing economy and will do our best to help our brides find a comfortable and obtainable budget for their wedding décor.

Below are some ranges of pricing, keep in mind that these are just for estimate purposes, and a personalized quote will be provided during a consultation.
