WWW.LOANDERSON.COM

WELCOME!

I'm Lo, your go-to Colorado wedding photographer! I'm here to bring you a warm and inviting experience that leaves you with images capturing your true love. On your wedding day, you deserve a photographer you can trust and have a genuine connection with. I consider my couples to be friends and trusting me to take your wedding photos is never something I take lightly!

ABOUT ME

My approach is driven by my passion to capture the real moments, but I also want to get to know you as a friend and give you my amazing experience. My goal is to capture you in your true essence. This doesn't happen with stiff, posted photos- so get ready to have a freakin' blast in front of my lens! I'm all about the in-between moments that come and go quicker than our minds can process. The ones you may not even realize are happening. I'm there to capture those memories to take with you forever!

WE'RE PROBABLY A GOOD FIT FOR EACH OTHER IF:

- You value heart filled moments that make up this adventure we call life
- You're willing to go off the beaten path to create something new and unique to you
- You want a customized experience leaving you with photographed moments to cherish forever

"Lauren was everything and more!"

"Lauren was amazing! Everyone stresses about their big day yet she was patient and kind, but also had great tips to make it fun while she was there. There was never a dull moment and she captured my wedding beautifully. I couldn't have asked for a better photographer!"

YOUR ADVENTURE DESERVES TO BE CAPTURED BEAUTIFULLY

This is the beginning of your legacy for generations to come! At the end of the day, there is one thing that you will want to take with you- more time. As a photographer, I am giving you the gift of time. I'll be there to capture every second of your big day. I want to not only capture, but preserve your abundant love, exchanges of looks, joyful laughter, and endless hugs. I want to see the way you light each other up and bring out the little kid in each other because those are the memories that give you butterflies. My desire is to deliver images that allow you to step back and relive those moments. Make no compromises on those memories.

FAQ:

ARE YOUR WEDDING PACKAGE CUSTOMIZABLE?

Absolutely! Every couple has different needs for their wedding day, so the goal is to adjust my packages to be the best fit for you and what you're looking for.

WHEN WILL WE GET OUR PICTURES BACK?

You will receive your photos through an online gallery within 4-6 weeks of your wedding day. Delivery includes high resolution downloads, a print release, and a link to easily share the gallery with friends and family. Other sessions are ready within 2-3 weeks.

DO YOU TRAVEL?

HECK YEAH!! I will travel wherever your love will take me! Anywhere 50 miles outside of Greeley, CO has a travel feel. However, I can create a custom quote and talk about travel details if you want to go further.

WHAT DOES PAYMENT LOOK LIKE?

Your 30% retainer is due at signing and the remainder of the balance is due 30 days before your wedding. We will be in touch leading up to the wedding day so I'll definitely send out a reminder. ;)

WHAT IS THE BENEFIT OF A SECOND SHOOTER?

Second shooters will get those extra angles and perspectives! Sometimes those are nice to have, but I am absolutely comfortable with shooting a wedding solo!

HOW DO WE PICK PHOTO LOCATIONS?

That's what I'm here for! I'll help you choose a location that fits your personalities and echos what you value!
