Talk to us to customize a package that suits your budget; we are happy to help! Country DJ Events provides two professional PA speakers (size 12'), an optional 3rd smaller speaker for a different area, professional DJ mixing software with thousands of songs to choose from, a professional wired microphone, a wireless microphone headset and mixer.

Additional dance lessons, PA speakers, lapel mics, wireless mics, lights, and travel outside of San Diego County may incur additional fees. Inquire within.
