1. ENGAGEMENTS

We recommend doing these 3-6 months before your wedding but there is not a set time. This is a one to two hour session at whatever location you choose. We prefer atleast two outfits to provide a variety. This is one of our favorite times together because we get to take you to dinner and get to know you more as well!

2. TIMELINE MEETING

One thing we take pride in is providing our clients with a detailed timeline for their wedding day. We want to spend time with you finding out all those details so we can coordinate a PDF timeline for you to give to everyone involved. It takes about 45 minutes to set this up and it will give you so much relief! Just wait!

3. BEFORE WEDDING

A week or two before the wedding we will be in touch to make sure you have the timeline and all the other reminders we need to run by you. We make sure

WHAT #ACBRIDES SAY

“ I believe picking out a vendor is one of the most important decisions in wedding planning. When I say that Andrew and Chrissy were absolutely perfect and amazing I mean it. Throughout our whole wedding process they have kept us organized, relaxed, prepared and more importantly they made us feel loved and important to them. Even though they were so busy throughout wedding season you still feel like number one! If you want a photographer that you know will be there for you, will take amazing pictures, become a friend, and truly serve you Andrew and Chrissy are your photographers! They are by far our friends now and I couldn't be happier with the pictures they took on our wedding day. They are my number one.”

“ Picking a wedding photographer was one the most stressful things for me, how do you trust someone to capture the biggest day of your life? You can't go wrong with Andrew + Chrissy Photography. They took the time to get to know us as individuals and as a couple, it made everything easy and less stressful. They worked great as a team and were so easy to work with. We didn't just feel like another business transaction to them, we felt like friends! They were so understanding and patient on our big day; they were incredibly helpful with posing and making everyone feel comfortable! They were also very quick with turn-around time for our pictures! I can't imagine using any other photographers for our big day, I recommend them to everyone I know!”
