Keith Photography, Indianapolis
2019 Current Wedding Price List

ALL fixed packages and the custom package include the following:

- In person planning meeting, consultation, and presentation in order to lay out a plan or approach to photographing your wedding and to learn your expectations and our recommendations. We want to get to know you and will be behind you all the way!
- Advisories on silly fads to avoid to create photographs that will stand the test of time
- We survey the venue before the wedding date.
- Full coverage from getting ready to the end of the reception (Silver and Gold packages have time limits)
- Photo documentation of venue
- All digital photographs shot in high definition
- No limit to the number of pictures taken in time allowed
- All photographs carefully processed and edited
- Multiple locations on wedding day
