## OUR PROCESS

Here at Imagined Imagery, we do things a little differently than other companies. Our top priorities are making sure you are the most important part of the day and keeping things simple. Here is the breakdown of how we work, from your initial meeting to receiving your images.

- INITIAL MEETING  
 We aim to make your wedding as stress-free as possible; this is why we'll come to you! I want to hear all about your wedding. This is the perfect opportunity to view our work and ask any questions you may have about what we do, so that you can make an informed decision. There is no fee for this, and there is no obligation to book or leave a deposit during this meeting.
- BOOKING  
 Just \$400 will secure your wedding date in our calendar. This amount is deducted from your total package price.
- SELECT A PACKAGE  
 How long do you want us at your wedding? Camera shy? Don't see what you want? No problem! We'll arrange a custom package just for you.
- PRE-WEDDING SESSION  
 I highly recommend that whether you choose Imagined Imagery or another company, that you book an engagement shoot at least 10 months before your wedding. This is the perfect time to get to know your photographer so feel at ease on your big day. This is why all of our packages include an Engagement Session.
- ONE MONTH BEFORE  
 Invitations are sent out and final payment is due.
- 2 WEEKS BEFORE  
 Detailed conversation about your final plans for your wedding. We will talk about any "surprises", gift giving, special dances and any other requests you may have for us.
- ONE WEEK BEFORE  
 Your photographer will "walk-through" your wedding day, including driving from location to location to be sure of traffic times. They will also go to your wedding location, meet with coordinators and walk around the grounds to plan specific images.
- ONE WEEK AFTER  
 A few "Sneak Peak" images will be released on our facebook page for you to tag and share with friends
- THREE WEEKS AFTER  
 All of your beautifully enhanced images are uploaded to your online gallery for you to share with your family and friends.
- 6 WEEKS AFTER  
 Choose at least 20 of your favorite wedding images from your online gallery and we'll get to work immediately to create your story in either our original, leather-bound or crystal cover albums.

We'll come to you! All packages include as many meetings as you need to help you with your wedding. We'll help you visualize the wedding you've imagined!

Don't forget to ask us about our 0% financing on our services. Pay now or over time!
