Silver Package $1495

We arrive at the ceremony location two hours early to get shots of pre-ceremony preparations (lighting candles, setting flowers, nervous groom, etc.). The Silver package includes coverage from the bride's arrival at the ceremony and reception (up to SIX hours total). You will receive a 3-4 minute trailer video which is perfect for social media, and a feature video with highlights of the day. The DVD will also contain the ceremony in it's entirety. You will receive 3 copies of the DVD including one in a custom heirloom DVD case.

Gold Package $1795

This package includes everything listed in the Silver Package PLUS drone video of exterior ceremony location AND we go to the bride's location three hours before the ceremony to record her last minute preparations.

Platinum Package $2295

This package includes everything listed in the Gold Package PLUS we go to the men's pre-ceremony location to capture shots of the groom and groomsmen getting ready. Also included in the Platinum Package is use of our **Photo Booth** for 3 hours during the reception.
