Your Wedding

at the opulent Emerald Theatre allows your guests to experience the unique romantic character and rich history of this venue. Designed by renowned architect C. Howard Crane, the performance venue first opened its doors in 1921. Recently renovated and restored to its former glory, the Emerald's spectacular stage, opera boxes, and tiered cabaret-style seating are complemented by the glorious balcony and mezzanine areas – perfect for pre-dinner cocktails. We offer customized and all-inclusive packages to accommodate intimate and larger gatherings of 100 to 300 seated guests.
