My Story & What I Have to Offer

I'm a visual media freelancer with a focus on videography and film production. I'm looking to gain more experience within the film and media industry. Weddings and real estate videos are my main goal for myfuture videography career.
I have always been the creative type and have always loved the art of cinematography. While I continue my education to attain a Bachelor's Degree in Digital Cinematography, I wish to get more hands on experience to add andexpand my portfolio.
I will listen to YOUR desires to help create and solidifyyour magical day!
