The Two Person Package

(ELITE ENTERTAINMENT'S MOST POPULAR PACKAGE)

M.C. of your choice from the Elite Entertainment staff plus and assistant for a four hour reception. Cocktail hour music can be included at no additional cost if needed.

The two person team is everything you need to have a great party. From upbeat and elegant to wild and crazy, this is the package for you.

This two person team allows your M.C. to step away from the equipment and focus on the needs of you and your guests, while coordinating the event with your maitre'd and other event vendors.

Two Person with Lighting

This package will include everything in our Two Person Package plus your choice of either:

Option 1: Full Room Dynamic Uplighting

Enhance the atmosphere of your banquet room as we match your color theme, but, when the party gets going, our uplighting can pulsate to the beat to add even more energy to the room.

Option 2: The Extreme Intelligent Lighting

Features 4 of our newest synchronized moving head intelligent light on stand-alone "towers." Lights are fully programmed for your affair with a grand entrance, spotlighting (if desired), and club lighting effects all controlled by a trained lighting technician.

Two Person with Lights and Media

This package will include everything in our Two Person Package plus:

Two HD TV screens that include a photo montage (maximum 100 photos), digital zap shots, graphics of your names and music videos (if desired.) We can also show photos from your photographer from your ceremony as well!
(Your photographer must provide them to us.)

And your choice of:

Full room dynamic uplighting OR
The Extreme Intelligent Lighting

The Elite Package
