SERVICES and FEES:

Weddings, Marriages, Unions, Commitment Ceremonies and Vow Renewals

Here are **3** ceremony options I offer to accommodate your preferences & budget:

GOLD: \$675 **Personalized & Customized Ceremony** (- see discount offer)

We would meet/spend time together in person, on the phone, over email and/or Skype. I would want to get to know you both; about who you are as unique individuals and about your Love story as a couple, in order to **personalize** your ceremony.

Then, from the **Ceremony Packet** I send (and/or from your own resources), *when we meet* we will **customize** your ceremony: discover the rituals, traditions, readings and vows you want to include, so that the ceremony reflects your LOVE, personalities, values and beliefs. To further **customize** your ceremony, *when we meet*, I will present a framework (give the salient features/aspects of your ceremony) and provide recommendations for your ceremony related selections. During our meeting, I ask you all the right questions, offer suggestions and examples, draft the customized ceremony outline, and then send it to you for approval. For the ceremony itself, there is nothing to memorize; I do the work in order to keep it easy & fun for you. There are no rules as to how your ceremony has to be; instead, within the framework we construct, it will be *focused on your love*; **your ceremony, your way!**

SILVER : (**no additional discounts apply)

\$525** **Your Customized Silver Scripted Ceremony** – This ceremony (15-20 mins. max!) is a “budget-friendly customized **Scripted Ceremony planner packet**” which I send to you for **you** to make selections; one which **you customize** yourself, **without my assistance**, from the outline and options in the planner, and then send to me for me to present on your Event Day :) This is a popular and fine option. This basic Scripted Ceremony planner may also include **1** reading that you select, and I read. Although I’m at least 30 mins. early for your ceremony, we will not meet nor work together prior, and not be in contact beyond the initial contact/contract email confirmation. The ceremony you construct, but which I present, will be a joyous and uplifting experience for you and your guests!!
