Additional Services

- **Video Display - \$149**
 - High definition monitor set up on or near a gift or desert table, or entrance way to the reception area. Runs slideshow or video montage continuously during the evening for all to enjoy. You email us the photos you'd like included and we do the rest
- **Custom Snapchat Filter - \$79**
 - Design and implementation of a fun custom snapchat filter that suits your theme and personalities. Available for unlimited use by you and your guests during your reception
- **Next Level Dance Floor Lighting - \$249**
 - Additional dance floor lighting including moving head fixtures to add extra energy and excitement
- **Secondary Audio System - \$129**
 - A separate audio system for an adjacent patio or bar area. Ideal for when cocktail hour isn't in the same area as the reception
- **Enhanced Sound System - \$299**
 - Covers the full spectrum of sound with plenty of authority and head room. For events with 180 or more attendees
