

The Monterey Bay / Tahoe package: \$3,500.00

Collaboration with the bride and groom via their Pinterest wedding page, email, text message or what ever means necessary.

The bride and groom preparing on the day of the wedding, the ceremony and the reception.

One fixed camera HD video of the wedding ceremony

All photographs are analyzed and adjusted for best exposure, color and composition. Minor photoshop "enhancements" are available at no extra cost.

All of the 8x10 print quality digital images are stored on Google Photos for six months. These images are available to anyone who you invite. These images can be downloaded, shared and/or printed.

All large print quality digital images are available at no extra cost and are posted online per your request. I would recommend that we discuss which printer would be the best choice to produce these larger prints.

Options:

All of the above plus the rehearsal and rehearsal dinner: \$4,000.00

A second photographer is required for weddings over 250 people and is available on request.

Charge for that additional photographer(s) is \$500.00 per photographer
