The Views at Sunset Ridge

Tennessee's Premier Wedding Venue

Selecting the soul you'll tie to yours for eternity is not a matter you take lightly. It only makes sense that you'll want to solidify your union in a location as breathtaking and unparalleled as your love. The Views at Sunset Ridge is the perfect venue for couples looking to have not just a wedding but an experience.

With scenic views of the Blue Ridge Mountain and Smokey Mountain ranges from each of the venue's three levels, our venue blends a rugged industrial aesthetic with romantic whimsy. Each wedding is a unique work of art, with couples having numerous location choices for ceremony, dinner, and reception activities.

ROW Hall

Let's begin with Row Hall. Industrial and rustic accents meet the stunning architecture of cathedral ceilings and elegant chandeliers. Truly the perfect location for a fairy tale wedding, the hall was designed with a grand sweeping staircase for an unforgettable entrance. Row Hall is also the ideal spot for a lively reception, with 4,000 square feet of space for cocktail tables and a generous dance floor.

The Dining Hall

In the Dining Hall, up to 300 of your loved ones can enjoy a decadent meal provided by the on-site catering team while enjoying the exquisite mountain views. Farmhouse tables can be adorned with any combination of linens, flatware, dinnerware, glassware, and decorative accents from our collection. This allows you to create the exact wedding aesthetic you have envisioned, without the hassle of renting dishes or decor.

The Meadow

Couples who want to feel the wind on their faces have found The Meadow to be an idyllic location to hold their ceremony. There's no limit to how this location can be styled, from barefoot bohemian vibes to an enchanted secret garden scene, The Meadow can accommodate any creative vision. An unlimited number of guests can be hosted in this natural wonderland.

The Mountain Side

The only thing that could possibly take your gaze off your beloved is the view from our Mountainside location. Pledge your love to one another in front of the breathtaking mountain range. Guests will be enchanted by this majestic natural backdrop, and you'll be stunned at the picture opportunities this location provides. The Mountainside location can accommodate a wide range of aesthetic styles and seats up to 200 guests on hand-crafted rustic pews and romantic wooden chairs.

The Bridal Suite

The Bridal Suite is a stress-free haven for the bride to enjoy her day and get ready in luxury. Featuring a 24-foot vanity with five beauty stations, salon chairs, dressing room, full bathroom, and sitting area, it's so lovely you may not want to leave!

The Grooms Quarters

We didn't forget about the groom! The Groom's Quarters is designed to make sure the wedding day is just as much fun for the groom as it is for the bride. The groom and friends can relax and unwind with a big screen TV, pool table, video games, and wet bar.

What Sets Us Apart?

Our Team! We pride ourselves in the team we have. We are dedicated to making your day go as smooth as possible!

Our staff begins the day with assisting in details sometimes forgotten. Those candles that all need set, the boxes that need hidden, the fluff that just needs an extra touch. Those with the detail-oriented eyes are all over it!

Next our courteous parking staff are greeting your guests at the door. They assist in helping guests out of the car, and in bad weather keep them covered as they get in the building. Drivers are driven up the hill and all guests are taken back down at the end of the night. Your guests are treated by a crew who cares!

Our staff comes in while you are up in cocktail hour & dinner to flip the ceremony room into a dance hall. Whether that's an industrial bistro look or an up lit nightclub ready to dance the night away. We transform your room while you eat and surprise your guests with whole new look. While you party your night away our staff goes upstairs and assists in cleaning and packaging any of your décor and taking garbage out!

Our goal here with our staff is to assist you on any level you need so you have nothing to worry about, so you can enjoy your special day!

- We have a limited number of round tables onsite that can be used. They can be mixed in with reception seating, but the majority of your guests will be seated at farmhouse tables.

Can we bring food from home or have a friend/family member prepare food for my event?

- For safety reasons, all food items (including desserts) must be prepared and served by an approved, licensed, and insured caterer.
