

AN INSTANT PARTY

DJ AND EVENT LIGHTING SERVICES

Add a little *WOW* to your event!

Our Better Event Promise.

Now more than ever, event planners are choosing high quality event lighting and fabric draping to set their events apart from the rest. Great lighting adds more interest and “wow” to an event than any other wedding decoration. Proper event lighting purposefully brightens a room and sets the expectation for a fantastic and beautiful event.

At An Instant Party! we promise to use only high quality LED light fixtures and premium fabrics. We'll choose the best color for the room or we'll match the color you want. With our extensive inventory of battery operated lights, we can even put lights in the most unique spaces. Our pipe & drape is beautiful and versatile for any space.

Quality Design for the Budget Minded.

We're the kind of company that just loves to create a party that looks great and feels amazing. We believe everyone deserves to have a gorgeous wedding reception or a beautiful fundraising event without having to spend a ridiculous amount of money. Let us transform your event space with our high quality lighting and premium fabrics. We'll never charge labor costs to install, set-up or take down any of our services.

We're Giving Back to the Community.

Every non-profit organization that chooses to work with An Instant Party! is guaranteed a special discount. We believe that if an organization is doing something to make our community better, we want to help!

There's NO party, like An Instant Party!
