Tracy + Logan Reinard

weddings & portraits | BASED OUT OF YOUNGSTOWN & WARREN, OH

MEET LOGAN + TRACY:

We are Logan and Tracy, passionate artists and the husband and wife team of TracyLynn Photography. We met in 2011 at church and married in 2014. We are best friends and make the perfect team, anticipating and trusting what the other will be doing. Our main goals in life: love God and love people.

When we're not shooting, we are usually watching The Office reruns, exploring with our German Shepard, Aksel, and hanging out with friends which usually involves food! We are also in the process of opening another business, Nova Coffee Co, a third wave coffee and craft donut shop on the square in Warren, Ohio. Another fun fact: We are proud foster parents!

To learn more about us and to see a glimpse of our real life, check out our blog, or follow us on Instagram. [[@tracyreinard](#) + [@loganreinard](#)] We love to share our passion for life and photography.

WHAT WE'RE ALL ABOUT:

Getting married is one of the most exciting times of your life! It's a time to reflect and a time to look forward to everything that's to come. You're probably overwhelmed with all the wedding information out there, but don't worry; you are not alone. We are here to help!

The information in this planning guide is meant to help you through all of your photography-related questions, so you can be relaxed and excited for your big day.

We've spent so much time intentionally finding the perfect locations, poses, and lighting techniques that show off our clients naturally & beautifully. Hours and hours have been spent researching the best looks, (heeeey pinterest!) hair & makeup tips, and wardrobe ideas that ensure a look that's polished and authentic.

Snapping a photo is easy, but directing a client and leading them confidently throughout their shoot is something entirely different. This is something we not only strive to do - we guarantee it with each and every client who graces the front of our cameras.

We work with each of our couples to create a unique portrait session they will be proud to show off days as well as YEARS after we are finished photographing! Instead of following trends, we have worked hard to create a style of our own that is chic and timeless. No detail is left to chance.

Our goal is to be there every step of the way as we capture your story. From the initial consultation to handing over the final, printed pieces from your session, we will guide you through an experience that is memorable for years to come.

Congratulations on your engagement!

FREQUENTLY ASKED QUESTIONS

answers to all your photo-related questions

Q: WHAT MAKES YOUR WORK DIFFERENT FROM OTHER PHOTOGRAPHERS' WORK?

A: Our sessions are relaxed and authentic. We really want to invest in our couples and getting to know you is really important to us, we believe that when you trust us, that's when the magic happens!

Q: WILL WE GET THE PRINT RELEASE TO OUR PHOTOS AFTER OUR WEDDING?

A: Yes! Upon receiving your images, you will also receive a print release where you can print any image you want, where ever you want! There are advantages if you order through our pro print lab, like guaranteed color calibration (no yucky yellow tones like prints from CVS or Walmart).

Q: HOW MANY YEARS EXPERIENCE DO YOU HAVE?

A: We both have extensive knowledge in photography, lighting, composition, and post processing. We have also been in the wedding photography business together for three years. We both are full-time photographers and dedicate our lives to our business ensuring our clients are well taken care of.

Q: WHAT IS THE TURN AROUND TIME FOR PHOTOS? WHEN DO I ORDER MY ALBUM?

A: Ideally we strive to have all of your images (your USB) edited and shipped in 6-8 weeks. Albums may be ordered at any time. Pricing is guaranteed 60 days after the delivery of your images. After that pricing for albums are subject to change.

Q: DO YOU HAVE A LIST OF PREFERRED VENDORS TO USE?

A: We sure do! From florists to DJ's, we have worked with some of the best companies in the industry and would be happy to share their information with you!

Q: WE'RE HAVING A DESTINATION WEDDING. DO YOU TRAVEL?

A: yes! we love destination weddings and have been lucky enough to travel all over shooting weddings. send us more information on your travel plans, and we will create a custom wedding collection to suit your needs.

HAVE ANOTHER QUESTION?

send us a message! we are happy to help!

Q: SHOULD WE DO A FIRST LOOK?

A: Sometimes the traditional wedding portraits just aren't enough. They are beautiful and certainly important, but there just isn't always enough time to get the intimate portraits most modern couples really want. After seeing each other for the first time we are free to take as many intimate portraits that we want. Having the reveal before the ceremony leaves you both stress free and more time to enjoy your family and friends at the reception.

Q: WHAT EQUIPMENT DO YOU USE?

A: We use all of the latest Canon equipment. We use the Canon 5D Mark III and the Canon 6D. We also have a variety of lenses, multiple on-camera flash devices, and three point lighting for receptions. All of our cameras and lenses have a backup in the rare event that anything should happen to one of our pieces. We also have all of our equipment inspected regularly to ensure that your day will go smoothly.

Q: ARE THE COUPLES ON YOUR SITE MODELS?

A: Haha! While we are lucky enough to work with gorgeous couples, the images shown on our site and blog are of regular, paying clients.

QUESTION: WE'RE READY TO BOOK! HOW DO WE RESERVE OUR WEDDING DATE?

A: A \$500.00 deposit and signed contract is required in order to get your wedding day on the calendar. 14 days prior to your wedding, the remainder of the balance is due. We do all of this online, so no need to worry about mailing anything! We would also love to meet you in person to answer any additional questions you may have, see a sample album, or full wedding gallery.

**“BECAUSE
EVERY
MOMENT
COUNTS”**

WHAT TO EXPECT:

LOCATION:

We do not put a limit on your portrait locations. This goes for your wedding day and engagement session! However, we do ask that you contract us for the proper amount of hours/coverage which will include travel time to or from the desired location. Keep in mind that the more you travel on your wedding day the less time you have for portraits.

PAYMENT:

A \$500 non-refundable retainer is required in order to secure your wedding day. The remaining balance is due 14 days prior to your session. We accept cash, checks, or we have an online payment option for your deposit.

ONE MORE THING!:

We are incredibly honored to be considered to document your wedding day. We are SO thankful to be given the opportunity to share with you our hearts and why we do what we do. We love what we do and that we get to do this together. Most importantly we want to make this experience the best we can for your BEST day. After the planning is over and the flowers are wilted, the only tangible memories you will have left are your wedding images. Photography is truly an investment. We hope that we get to be on this journey with you!

Cheers!
Tracy + Logan
