**Other Items To Know that are Required:**

Basic Insurance to cover yourself for event (we can help you with this simple process- that most all venues require)  
Caterer must have proof of License  
Licensed bartender required when serving hard alcohol (hard alcohol may only be served in signature drinks and after dinner we ask you to switch to beer and wine only)  
We do request that you have at least a day of coordinator

We have an outstanding group of preferred wedding professionals we work closely with at Historic Oakdale Ranch that can handle all your wedding needs, but are not required to be used.

In regards to bar as long as the bartender is licensed you are welcome to bring your own alcohol.

We would love to set up a tour to get a chance to show you around and go into more detail about what our venue has to offer you. This is the best way to answer all your questions and get a better idea of what our venue can offer you.
