The Simply Events Team

Christina McGhee, Owner / Principle Coordinator

After 15 years of planning events in the Gorge I have gained strong connections with the local community which allow me to provide a depth of service unrivaled here in the Gorge. I pride myself on being level headed and calm amidst the excitement of events and love being witness to every couple's magical moment. It is truly an honor. I live in Parkdale with my husband and 2 kids on a small blueberry farm. I spend as much time as possible hiking, biking, running, and doing yoga – which I am sure helps me stay calm and centered in life!

Jenelle McCleary

I have been planning Gorge weddings, charity events, and corporate seminars for over 10 years. I am very organized, and I love working with my clients to bring their vision to life. My husband and I, as well as our daughter and two dogs, live in Parkdale, OR, where we are surrounded by farmland. We were married at Gorge Crest Vineyards in 2010.

Christie Clarke

I was born and raised in Hood River, and I've fallen in love with everything the Gorge and Oregon has to offer. After graduating from the University of Oregon with an Advertising degree, I realized what I really loved was the communication and planning aspect of advertising. Returning to Hood River, I set out to immerse myself in all things surrounding Gorge weddings and wedding planning. I believe creativity, curiosity, and nature are the key components in creating your dream wedding.
