FAQ'S

How much do you charge? Our prices range between \$680 – \$2050 for packages and are determined by the amount of time you need us, services required as well as the DJ/Emcee performing your event.

If you can't find a package that works for you, we will do our best to customize one for you. We are surprisingly affordable when you consider the quality service you receive. Why Wait! For more information or an exact quote, please call or complete our contact information form. Many times clients do not realize what they need and after speaking with us they save money.

With us there won't be any surprises. Our business has been built on transparency, integrity and trust.

Can I give you a playlist? Of course! We prefer that in order to understand your musical taste.

We offer packages that fit most budgets or choose from our **À la carte** services.
