KIM CARDWELL

PHOTOGRAPHY

Hi! I'm Kim and I would love to be your wedding photographer! I've been photographing weddings since 2002, but have loved taking photos for as long as I can remember.

I love a good story, especially a love story, and that's why I photograph weddings. I look for your story in the moments, the smiles and laughter, the tears, and the pure emotion. There are so many of these moments at a wedding. My hope is that when you look back at your wedding photos, you'll feel those emotions all over again.

Every wedding I've photographed has left me with a special memory: a fun wedding party, a great first dance, a beautiful sunset, even a tropical storm. Each wedding is unique and such a gift to be apart of.

I want my images to reflect your style and your love. I combine classic portraiture with a more modern candid approach. This way I can capture the pure emotion and feel of the day while still getting those classic portraits that will stand the test of time.

My hope is that you'll take a look at my website, www.kimcardwell.com, and if you feel like my photos are what you want on your wedding day, let's meet. I'm happy to meet in real life or over a call. I'd love to hear more about your wedding and how you see the day going.

Thanks for taking the time to look at this guide. I can't wait to meet you and answer any questions you may have.

A full-page photograph of a wedding couple standing on a sandy path in a tropical setting. A tall palm tree is on the left, and a grey text box is on the right. The couple is in the lower center, looking at each other. The background is a bright blue sky with scattered white clouds. The foreground is filled with lush green foliage.

KIND WORDS

Kim was absolutely amazing! Not only is she extremely talented, she was also very patient and kind with everyone involved in our special day. The photos came out perfectly and she managed to capture everything we had hoped for and more.

WHAT MAKES YOUR WORK DIFFERENT FROM OTHER PHOTOGRAPHER'S WORK?

My working style is flexible. I adjust to your specific wedding because your day is as unique as your love story. Whether the schedule is running behind or the plans drastically change because of a global pandemic, I am really good at just rolling with whatever happens.

WHAT IS YOUR PHOTOGRAPHY STYLE?

My style is a mix of classic and modern. I offer posing advice when needed, but I also love candid and documenting your day as you designed it.

DO YOU TRAVEL FOR WEDDINGS?

I love to travel! It's fantastic to shoot in new locations, whether it's on a tropical island, in a big city, or even international destinations, sign me up! I do ask that you cover my travel expenses for any location outside of Florida.

HOW MANY HOURS SHOULD WE BOOK OF PHOTOGRAPHY?

This answer is different for every couple, and I'm happy to help you decide this over a call if you'd prefer. Some things to consider though...do you want "getting ready" photos? If yes, then I suggest starting your photography coverage in the last hour you plan to be getting ready, when your hair and makeup are still being done. Are you planning a formal exit? If you're planning to have your guests celebrate you with bubbles/fireworks/flower petals as you escape to a getaway car, consider including that in your photo coverage. If you spent time planning it, and it's a detail you want remembered, be sure to include that time in your hourly coverage.

WHAT EQUIPMENT DO YOU USE?

I use professional digital cameras and lenses from Canon. I always carry both backup cameras and lenses as well as extra memory cards, flashes, batteries, etc. My gear is regularly maintained and updated.

HOW MANY PHOTOS WILL WE RECEIVE?

There is no limit on the number of photos I shoot and deliver. I edit out any excessive duplicates and unflattering shots (blinks, etc) . An exact number is hard to give because it's based on the number of hours of your wedding, if there is a second photographer, as well as other factors. I promise your wedding day will be well covered and you'll have plenty of images in your gallery.

HOW SOON AFTER OUR WEDDING WILL WE RECEIVE OUR PHOTOS?

You will receive your photos in an online gallery within four to six weeks of your wedding day.

HOW LONG TO WE HAVE TO BOOK AHEAD?

Some dates and months are more popular than others, so it's best to book as far ahead as you can.

HOW DO WE RESERVE OUR WEDDING DATE?

A 25% deposit and signed contract is required in order to secure your wedding date. The retainer can be paid via Paypal or check.
