#### A Note On The Following Estimates

There are limitless combinations of designs, styles, papers, printing processes, size of guest list, details, etc. that make up each invitation suite. The prices below are based on a guest list of approximately 150, with 85-90 invitations needed, and includes:

- \$450 Custom Design Services Rate
- \$100 Printing Assistance Fee
- All printed materials
- Envelopes
- Postage

#### Simple Is Best – \$800-\$950\*

For those of you with sophisticated tastes and a modest budget, there is a custom solution for you within your budget. These elegant suites of 1-3 pieces, generally include an RSVP postcard, and minimal decorative accessories.

#### Tactile Glitz & Glam – \$1,200-\$1,500\*

If budget isn’t your top consideration and you’re looking for letterpress, gold foil, the finest papers, and some extra ornamental touches.

#### Programs, Menus, Thank You Cards, Etc.

Extending your suite to the day itself, and beyond will increase both the design service fee (about \$50\*/extra), and printing. If you are interested, in these extra touches, ask Natalie to include them in your custom quote so you can make an informed decision.
