### **Simple Wedding Package (\$150)**

This Traditional Ceremony package incorporates wording from our Wedding Ceremonies Samples. This is for Couples who want a simple yet wonderful ceremony experience. From our Ceremony Samples you choose which ceremony fits you best. For an additional small cost you can add-ins such as the sand, rose, wine and more from our list.

### **Personalized Wedding Package (\$175)**

This is one of our most popular packages for couples who want a more personalized ceremony. We will provide you with a questionnaire to fill out in advance of your meeting that will help us personalize the ceremony wording. You and your Officiant will work together to design something even more personal with the aid of samples wording for your ceremony wording and vows. Religious, Non-religious, Spiritual? You decide. It's your wedding. For an additional small cost you can add-ins such as the sand, rose, wine and more from our list. Then, you and your Officiant will combine these elements along with any readings or family/cultural traditions you want to include

### **Rehearsal (\$100):**

There is great value in having your Officiant conduct your rehearsal along with your venue and/or wedding coordinator(s). Together, we will review the staging, blocking, processional and recessional. The ceremony actions with you, your wedding party and your immediate family members will be staged at this time. These combined efforts ahead of time will make sure everyone feels comfortable and the ceremony proceeds smoothly and goes well.
