Our Cocktail/Dinner package is all inclusive. For example we would be on site having your choice of background music playing from 5pm through dinner and includes the reception. During cocktail and dinner we would provide wireless microphones for your use and be available for any announcements and also interact as needed to help coordinate your event.

Currently we have the dates available. We have one other inquiry and work on a first sign basis. However we cannot guarantee or hold your date without a signed contract as many of our key wedding dates fill fast. We require \$100.00 deposit to hold your date. Please review, and feel free to ask any questions or concerns you may have and let us know how we can customize the package to your needs.
