*Wood-n-Crate offers an Optional Set Up Fee for items that may be set up by the customer themselves. If the customer prefers to set those items up themselves, they may do so and remove the Optional Set Up Fee from their order. Items that are not available for optional set up are not charged any set up fee on top of the rental rate.

**Wood-n-Crate does not provide any styling services. All smaller décor items (candles and accessories, signage, table decor) will be delivered to your venue in boxes/containers for your event staff to style.

To see our inventory in person, come visit us at our warehouse! Please call/email in advanced to make an appointment. Our address is 6056 E Baseline Rd #151 Mesa 85206.

Abbreviated Rental Terms

Our full Rental Terms and Conditions can be obtained through an official rental proposal.

A non-refundable deposit of 30% of full invoice is due upon reservation. The remaining balance is due two weeks before the date of your event.

Rental Periods are for one calendar day at a time. This means that you can expect your items to be delivered the morning of your event and picked up the morning after your event. If your event requires a longer rental period, additional rental rates may apply. Please inquire for a full quote.

Items that are damaged or severely mistreated during use may require repair, replacement, or heavy cleaning and, in result, necessitate damage or cleaning charges. Customer will be notified in a timely manner if such measures are necessary and what costs have been incurred. To avoid all this, please treat our pieces nicely. :)

Wood-n-Crate does provide delivery service with each rental order. Your order's delivery fee will be calculated based on the distance from your venue to our warehouse. Within the Phoenix area, this fee generally amounts to \$25 - \$150 depending on your venue's location.

Some orders may be available for Will-Call, or Self-Pick Up. No fees beyond the rental rate are applied to Will-Call orders. Items that are not available for Will-Call include farm tables, dance floors, some backdrops, some arches, and some bars. Customer must provide enclosed transportation for any Will-Call orders (e.g. enclosed trailer or inside a vehicle).

Wood-n-Crate is not responsible for weather-caused changes to your event. In addition, Wood-n-Crate cannot provide refunds for changes to rental orders for any reason, including changes necessitated by inclement weather. In other words, when planning an outdoor event in Arizona, ALWAYS have a plan B.
