**2020 Wedding Ceremony Fees**

**Custom Wedding Package**

With this wedding ceremony package you can select your own vows, ring ceremony wording, readings, and blessing. There will also be a spiritual address on the nature of marriage and the significant step you are taking. You may also include a ritual of your choice.

**\$425**

**Custom Plus Wedding Package**

Custom Plus package generally contains all that the custom ceremony has, but the spiritual address is abbreviated to accommodate a personalized telling of your story. To tell your unique story, I craft a narrative from your own words about each other and your relationship. With the Custom Plus wedding you will experience a personal touch. A great deal more of my time goes into creating this ceremony. To learn more check out the blog page on [www.revcarolsaunders.com](http://www.revcarolsaunders.com).

**\$650**

**Rehearsal**

The rehearsal is usually focused on the wedding party, where they stand and how they process and recess. As an officiant I am often asked to be present during the rehearsal to run through the ceremony elements. In lieu of this, I also offer a 45-minute Skype/Facetime call, phone call or in person meeting with you before the wedding to run through the final draft of the ceremony, and I provide you with a rehearsal version of the ceremony **at no additional cost**. About three-fourths my clients select this option.

**\$100**

**Transportation**

This generally translates to about \$90 for travel to/from Milwaukee, Madison and Lake Geneva, WI and will be applied to wedding and rehearsal.

**\$1/mile**

**Holiday Premium**

Holidays include Thanksgiving week and the weekends of President's Day, Memorial Day, Labor Day and July 4<sup>th</sup>. New Year's Eve weddings to be negotiated.
