PRICING GUIDE
2020

Meet Sharpe & Angela

We are so excited that you are considering Sharpe Wedding Films as your videographers for your special day.

Sharpe & his wife Angela have been shooting weddings since 2015. But prior to that Sharpe and Angela did hundreds of wedding receptions with their mobile DJ Service that opened in 1994. So to say Sharpe and Angela know the flow of a wedding is an understatement.

One thing we pride ourselves on is

informing our clients. We know you have questions and we don't want you to be afraid to ask us ANYTHING!

We get it. A wedding film is an investment but it should be a pleasant one. Anything that might add stress to your big day simply isn't worth it. We want you to relax and enjoy the moments and almost forget a wedding film is even being shot. We'd love to talk to you when you are ready.

FAQ'S

Do you charge for travel?

Nope! We'll take care of getting ourselves where you need us anywhere in the state of Arkansas for no additional fee.

Will you travel?

YES! Our video cameras have been to Puerto Rico, San Diego, Dallas, Memphis, Nashville, St. Louis, Las Vegas, Wisconsin and more! Need us in Mexico or somewhere overseas? We'll have our passports ready!

How can we get to know each other better?

We understand that in person meetings over lunch or coffee aren't always possible so we'll gladly organize a video conference call so we can get to know each other better.

Do you offer drone coverage? Explain that!

YES! Every wedding package includes drone footage. This is perfect for establishing shots. We fly safely and legally. Sharpe Wedding Films is fully licensed by the FAA (Part 107). Weather and flight restrictions will be checked in advance. We reserve the right to cancel flight.

If we hire you...do we get YOU?

Yes! A wedding film is art to us and we're control freaks when it comes to this. Sharpe and Angela will be there taking care of everything.

How many videographers do you have on your team?

Two. In most cases Sharpe & Angela will be onsite to film. But should one of us fall ill or become unavailable due to an act of God, we'll make sure to bring a qualified videographer to fill in.

What is your payment policy?

We require a \$250 non-refundable deposit to lock down your date. Should something out of your control happen to make this date cancel we will do what we can to accomodate a rescheduling.

What forms of payment do you accept?

We accept all major credit cards and checks. If you plan on paying your balance day of wedding, we ask that you use a credit card or cash.

What is your turnaround time for my wedding film?

We ask for 30 days to have your film delivered. But when Sharpe get's to editing he's hard to stop. We've had films delivered while the bride and groom were on their honeymoon and some as fast as 48 hours after the wedding!

What is full day coverage?

Simply put...no time limit. If you ask us to show up at 5AM to catch your early morning wedding day breakfast and jog we'll be there! (OK...Jog was a bad example...please don't make me chase you.) And then we'll stay until you make your grand exit! .

READY TO SAY I DO?

SO WHAT'S NEXT?

OK...

You've done the research and decided to hire **Sharpe Wedding Films** to shoot your special day!

GREAT! Now what...

Well the first thing you need to do is enjoy a phone conversation with **Angela Dunaway**. Here she will put all the final touches to your wedding film order, lock down the date and get the

contract out.

We know you have a ton of questions and we are here to answer all of them. If you're still undecided, we'd love to get you all the information necessary to make the right decision for **YOU!**

A bit of advice...If a wedding film is important to you, don't wait. Lock down the date ASAP! We get calls all the time from brides that waited too long, only to find out their date has been booked by another couple.
