

AudibleEvents Wedding Packages

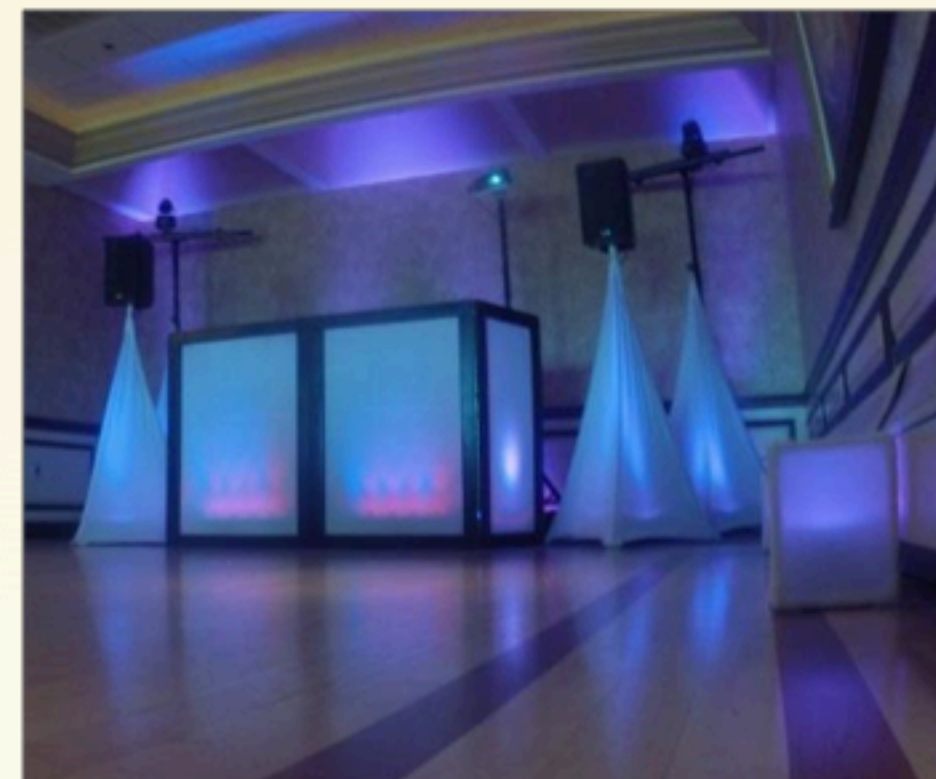

L.E.D. Room Up Lighting

- Wireless, color changing L.E.D. lights that can be programmed to match your wedding colors.
- Pick from thousands of colors!
- These slim, nearly invisible lights will transform your wedding venue.

The Audible Difference:

- You won't even notice the song change.
Thanks to years of beat matching experience in high energy dance club environments, our DJs will keep your guests dancing all night!*
- Our superior sound quality will ensure your guests can hear announcements and music crystal clear thanks to our high fidelity speakers that nearly disappear.*
- Customize the look & feel of the room and even coordinate with your wedding colors with our battery-powered up lighting.
All the beauty with no messy wires!*
