

WEDDING CEREMONY PACKAGES & RATES

PRE-MARITAL COUNSELING: \$125

Marriage is a significant life commitment that brings two people together in partnership on many different levels. Before marrying, it's very helpful for couples to engage in one or more pre-marital consultations in which we can discuss not only what your wedding ceremony should be like, but how you want your overall marriage to work. By understanding the interpersonal dynamics between both partners, the strengths, weaknesses and challenges of the relationship may be discussed candidly so that future problems can be bypassed or more effectively dealt with.
