Bridal Hair To Remember

Wedding Concerns

All members of the wedding party must have their hair clean and completely dry prior to having it styled. A \$25.00 fee is added to any styles that require a blow dry. **Shampooing hair in the morning and drying early holds much better than if hair is shampooed immediately prior to styling.** Please ask all members of the wedding party to use only soft styling sprays in the morning, as hard or stiff sprays make hair extremely difficult to curl and style.

Please have all wedding members wear a button down shirt or an easy to remove top. Bridal Hair to Remember will not be responsible for any mishaps for anyone removing a shirt after their hair is completed. Please have each member bring pictures with them of how they would envision their hair. A picture is extremely helpful in communicating this.

Please have all members of the wedding party be on time!! If members of the wedding party are not on time, this will make it difficult for the stylist to perform all services on time and effectively.

The stylist will provide all hairpins and styling products. The wedding party can bring, for the stylist to use, any hair accessories or flowers.

We recommend a trial run for the Bride. We urge that she bring in pictures of styles she likes and headpieces/veil she may use. A complete walk through of the style will be done. This trial run helps the bride and stylist create the perfect look for that special day. The cost of this session is \$65.00 for a one hour session. The stylist can make adjustments for less time being used. The trial run is not included in this contract.

Travel & Holiday Fees

A \$50.00 travel charge will be added. This may vary by location. Additional fees are to be paid by the bride or person booking on the day of service by cash or check.

Holidays are an additional \$75.00 charge.

Also a \$75.00 deposit is collected at time of booking, to be returned with this signed contract.
