

**ALL-INCLUSIVE PACKAGES:**

Our packages include all the planning resources needed to make your wedding or private event a success. When considering price for wedding entertainment, please note that entertainment costs only make up around 5% to 10% of your wedding budget, but most brides feel that the entertainment is the determining factor in the success of their event.

A full-service DJ company typically invests up to 15 hours of their time on each wedding or private event they book. This investment consists of consultations, music research, preparation, set-up and tear-down, performance time, travel to and from the event, education, and other business related endeavors.

Our packages are all-inclusive because we don't believe in nickel and diming or trying to upsell extra services. All of the features below are included in your wedding package, providing an excellent value for your dollar. Wedding packages cover up to 5 hours of performance time. The only extra charge is for additional performance time beyond 5 hours.

- Up to 5 hours of performance time.
- In person preliminary consultation.
