As the **number one highest rated** officiant - as awarded by WeddingWire® my fees are at the top of the range specifically due the level of ***personalization*** that my ceremonies are very well known for, the amount of time spent in planning meetings with my couples - along with providing all of the planning guides for every element of a ceremony (and more!).

I also provide rehearsal coordination (so your wedding doesn't look like a hot mess). 😊

In order for me to provide you with a fee I need to know quite a bit of information based on location, venue, travel, date/time, size of wedding and wedding party and the type of ceremony you prefer.

If you're really on a tight budget I'm probably not the officiant for you - unless you are doing a simple elopement without an actual ceremony.
