## MEET MEGAN.

I'm a wedding photographer and videographer located in Grand Rapids Michigan with over 7+ years of experience. Throughout this journey, I've had the privilege of capturing hundreds of weddings. My passion is all about preserving the genuine beauty of even the smallest moments and turning them into timeless keepsakes – whether through photo or videos – that can transport you back to those heartwarming moments, even decades down the road!

## WHAT I DO?

I view wedding photography as more than simply capturing a picture-perfect moment; it's about narrating the entire story. From the intricate details of your wedding dress to the raw emotions shared during your first dance, I aim to capture every moment.

I've been lucky enough to work with some incredible couples over the years. I am deeply dedicated to providing you with a stress-free experience and amazing photos. I truly understand the importance of placing your wedding day in the hands of someone you trust. You and your partner are my absolute top priority. My role extends beyond capturing your day; I'm also here to lend a helping hand throughout the entire process. When you hire me as your photographer, you are gaining a friend ready to assist you at any given moment.

# WHAT TO EXPECT FROM YOUR WEDDING PHOTOGRAPHER?

## ✓ COMMUNICATION

You can expect clear communication before, during and after your wedding. At any point in your wedding planning process you are able to reach out, check in, and chat about anything you need help in.

## ✓ QUALITY

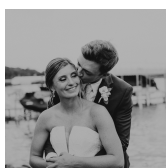

My commitment is to consistently deliver high-quality, beautifully captured images that will be treasured by my wedding clients for a lifetime.

## ✓ PROFESSIONALISM

With 7+ years of experience, I know how to handle any situation. No wedding is the same, and I'm prepared to take on anything that pops up on your day.

## ✓ AND A FRIEND

Being a photographer is more than just snapping photos. My goal is to make sure my couples feel comfortable while in front of the camera. Your engagement session and wedding will feel like friends hanging out!

# MY APPROACH.

STEP ONE.

## BOOKING

After deciding if I'm the right fit for your wedding day, I will provide you with a contract and invoice to book your date. A 25% nonrefundable deposit is required at signing. The remaining (75%) balance can be paid the week of your event.

STEP TWO.

## ENGAGEMENT SESSION

Once you have reserved your wedding date, the next step is to schedule your engagement session. If you have booked either my "The Best Moments" or "I Want It All" package, an engagement session is included. Typically, engagement sessions are scheduled on Sundays or weekdays in the evening for optimal lighting and atmosphere. After the session, you can expect to receive your engagement photos within 2-4 weeks.

STEP THREE.

## TIMELINE

Following your engagement session, the next time we connect will be a few months before your wedding. At that time, I will send you an email containing a questionnaire to fill out. This questionnaire will help me gather all the essential details about your wedding plans. Once you've completed the questionnaire, we can schedule a time to chat on the phone and go over all of the final details.

STEP FOUR.

## WEDDING

Congratulations, you've made it to your wedding day. Now, it's time for you to relax, sit back, and enjoy every moment. I understand that it can be overwhelming, but rest assured your vendors are here to ensure everything runs smoothly. Feel free to lean on us for anything you may need—we share in your excitement and are here to celebrate with you! Your final gallery is delivered 6-8 weeks after your wedding day.

## 1:30 PM PHOTOGRAPHER ARRIVES

When I arrive, the first thing I like to focus on are your detail shots and getting ready photos. It's a great idea to have your hair or makeup done by the time your photographer arrives, as this allows us to dive right into capturing those special moments.

## 3:00 PM FIRST LOOK

You don't have to do a first look on your wedding day. Choose the moment that means the most to you with your partner, and we'll collaborate to create a timeline that ensures every special moment is photographed.

## 3:30 PM WEDDING PARTY PHOTOS

At this time we will try to photograph any couple or wedding party photos that we can.

## 5:00 PM CEREMONY

## 5:30 PM FAMILY & WEDDING PARTY

It's a good idea to set aside at least an hour for these photos, but if you have a large family, I'd recommend budgeting an hour and a half. This way, we'll have plenty of time to capture all of your family members.

# ENGAGEMENT SESSIONS.

Engagement sessions are included with the “Best Moments” and “I Want it All” packages.

They offer a wonderful opportunity for you and your partner to get comfortable in front of the camera, setting you at ease for your wedding day.

During the summer and fall, weekends are typically filled with weddings, which means that engagement sessions scheduled in peak season will likely occur on a Sunday or weekday evening.

If you're considering an engagement session outside of Michigan, that's fantastic! I'm more than willing to travel to your chosen location, though please be aware that there may be additional travel fees depending on the destination.

*Included in 2 Packages!*

## 01. How long will it take to get my photos?

For weddings during peak season (May - October) it's about 6-8 weeks from your wedding date to receive your final gallery.

## 02. How much in advance should I book?

Some couples book as much as 14 months in advance to ensure I can be there for their wedding! Usually anywhere between 8-10 months in advance is enough.

## 03. How do I know if I should add on a 2nd photographer?

If your wedding involves multiple venues or has a tightly packed schedule with simultaneous events (e.g., cocktail hour and formal portraits), having a second photographer can help ensure nothing is missed.

If you have specific coverage priorities, such as capturing both you and your partner getting ready in separate locations simultaneously booking a second photographer is wise.

## 04. What's your payment structure like?

Once you decide to move forward, I will send you an invoice. Of that invoice a 25% deposit is due when signing the contract and the rest (75%) is due 1 week prior to your wedding date.

## 05. How can I make payments?

You are able to pay by card directly through HoneyBook or can pay by mailing a check.

## 06. Do you travel?

I'm based in West Michigan, but I'm always happy to travel! Please note that weddings outside the state of Michigan require extra accommodations.
