

A romantic scene featuring the silhouettes of a man and a woman walking together on a grassy hill. The man is on the left, wearing a suit, and the woman is on the right, wearing a long, flowing dress. They are holding hands and walking towards the right. The background is a dramatic sky at sunset or sunrise, with large, billowing clouds in shades of orange, yellow, and blue. The sun is low on the horizon, creating a warm, golden glow. The overall mood is peaceful and intimate.

TRAVEL

The team started in Grand Rapids, but we're all about trying to reach the four corners of the world. So far we've made it as far west as Hawaii, as north as Canada, as south as Peru and as east as Denmark. We don't change our package rates to travel because we love it. However, we do need some help covering our travel expenses. Talk to us about it. You'd be surprised where we might end up. Depending on when you are booking, we may already be closer than you think.

FAQ'S

CAN I ADD THINGS TO MY PACKAGE LATER?

Many of our extras may be added on to your package at any time. If you decide after the wedding that you would like to add the ceremony edit, you can! There are only a few extras we need to know in advance (drone, same day edit, or an extra photographer.)

WHO WILL BE THERE ON MY WEDDING DAY?

Our film package includes three shooters, our highlight package includes 2 shooters, and our photo package includes one shooter. Every member of our team is of the highest quality and caliber.

HOW DO I BOOK MY DATE?

To officially secure your date, we ask to set up a meeting with you first to see if we'd be a good fit. We warmly welcome you to our studio or we can set up a skype meeting. If it seems like a good fit, we require a 20% down payment as well as a signed contract to officially reserve your date.

DO YOU HAVE A PACKAGE FOR PHOTO AND VIDEO?

Those booking both photo and video with our team will receive a 5% discount on their package.

WHAT IS A LINEAR EDIT?

A linear edit is when we film something and edit it in its entirety. Many refer to this as a "live" edit in that it feels like you are watching something in it's entirety like you would a live event. Depending on the video package, you'll receive certain parts of the day in their entirety, such as the ceremony or toasts. All other parts of the day are filmed in what we call our stylistic "highlight" coverage. This means we film what we artistically think is most important and visually helpful for telling the story of your day.

CAN I GET A DISCOUNT?

We offer different discounts throughout the year for off-season and weekday events. Ask us about our current offers to talk through options!

A couple is walking away from the camera through a lush green field. The woman on the left is wearing a white lace wedding dress and a crown. The man on the right is wearing a light blue shirt and dark blue trousers. They are holding hands. A semi-transparent dark blue banner is overlaid on the top half of the image, containing text.
