**GOLD LEVEL SERVICE: Fully Customized & Personalized Wedding Ceremony** -- about 20 minutes in length. Free consultation in person or by Facetime/Skype/Zoom Includes 1 session premarital communication coaching which is how I am able to personalize certain portions of the ceremony — (90% of couples choose this option) **\$495.00**

**SILVER LEVEL SERVICE: Partially Customized Ceremony**—Includes all the usual elements and some customizations. Free consultation in person or by Facetime/Skype/Zoom. Ceremony is still very romantic and fun--just a little shorter and simpler, about 15 minutes. **\$425.00**

**BRONZE LEVEL SERVICE: When couples ask, “Just Make it Legal”** — Often for short notice or very small weddings, under 10 people total, a standard ceremony that lasts 10 minutes or less. Meet me in Temecula, or I can visit a nearby home or a hospital. **\$225.00**

For all weddings, I will complete and file the marriage license for you (*CA law requires the officiant to turn it in*), unless of course you are already legally married and you are having a celebration with your friends or vow renewal.

**REHEARSAL**—if you have a professional coordinator, or if the venue provides a coordinator as part of their package to you (not just a venue rep) then 90% of the time, you don’t need me at your rehearsal because your coordinator can lead it for you, and we will have had our own “Mini-Rehearsal” during our consultation. Additionally, on your wedding day, I will arrive 60 minutes early to refresh everyone’s mind on what to do, AND all during the ceremony I whisper cues to you for what to do next. Only for the 10% of weddings, where you don’t have a professional coordinator, or if your ceremony is very complex (*high number of family members and bridal party in the procession or complicated optional elements*)—then it is WELL worth a few dollars for your peace of mind. Or perhaps you’d just be more emotionally comfortable with me being there to either lead the rehearsal completely myself or to assist your coordinator. In those cases, I’m happy to help! **\$150.00** and possibly a mileage fee if more than 25 miles from Temecula.

**PREMARITAL COUPLES RELATIONSHIP COACHING:** Includes professional online relational assessments, SYMBIS, MBTI, and Love Languages. Three sessions at 90 minutes each (in my home or by Facetime/Skype/Zoom) to review the results of everything and learn/practice effective communication. More specific info at <https://cutt.ly/fw1pOtI> **\$450.00**

**PAYMENT METHODS: Venmo, Cash, Check, PayPal, Square.** Specifics at <https://tinyurl.com/sakwber>
