What does your Day- of -Wedding Coordinator Services entail?

Planning for your wedding can often make you feel like a child in a candy shop… There are so many different options available it's easy to feel overwhelmed. Our goal as a coordinator is to take all the guess work out of the process, to make your wedding day as seamless and smooth as possible. This will enable the bride/groom to enjoy the day with their friends and family instead of having to chase after vendors. our duty and privilege are to ensure that your vision is implemented.

Our wedding Coordinators are all about the logistics' but on a shorter timeline than a planner. Six weeks prior to your big day our coordinator will assist in preparing and will be the liaison between the bride/groom and all the vendors on the day of the wedding. From confirming your vendor contracts and logistics, creating a detailed timeline, completing a final walk-through of the wedding site, and overseeing your wedding day events ensuring execution of your day is what you envisioned.

Our day-of coordinator services can range from $1700 to $2600 depending on your average guest count and the specifics of the wedding.
