#### AT LEAST TWO PHOTOGRAPHERS:

Weddings are three stories being told all at once: the bride's day, the groom's day, and the guests' experience. A single photographer can tell only two of those stories effectively. A second photographer is able to be in the places where the couple is not and to view the events of the day from more unique perspectives that help tell the story much more vividly than a single photographer could. Female second photographers are often available upon request.

#### UNLIMITED HOURS:

After the months (or years) of planning, the things you have left from your wedding day are a life partner, a ring, and your photographs. We don't believe in charging by the hour because we believe it is our job to capture all of the memories and moments of your wedding day, and not simply a small portion of it. We will arrive as early as you would like, and we prefer to be the last ones to leave. Your day is full of details and moments, and it is our job to photograph all of them.

### COPYRIGHTS:

We photograph your wedding for you and your family to enjoy forever. We don't want to stand in your way, so you will receive all of your images full-size with no restrictions.

### FREE TRAVEL:

Within a 600 mile roundtrip, there are no travel charges. We like to think of the Midwest as one big neighborhood, so we are happy to travel to your wedding at no extra charge. And for those who are getting married elsewhere, travel fees are minimal.

### ENGAGEMENT SESSION:

Every couple within the Metro Detroit area also receives an engagement photo session to use as they wish. This is a perfect time for you and your fiancé(e) to learn how to interact in front of the camera, and a great time for us to learn more about how we all work together. Chicago couples may add engagement shoots for \$350.

### PHOTOBOOK & ALBUM:

The wedding album is how you relive your wedding day, and after months of planning and work, we believe that an album with 200 photos tells a much better story than one with 30. So we include a 8.5x11” 50-page-book with the option to add pages up to 200 total.

### PHOTOBOOTH:

As with all of the photographs we take, we want your photobooth pictures to be beautiful and emotional. We prepare an on-site portrait booth near the dance floor to capture everyone at their goofiest! It also works perfectly for portraits of groups you couldn't grab earlier in the day!

#### OPTIONAL ADD-ONS

Customized packages are available. Additional options include:

- » rehearsal dinner coverage, \$450
- » film and polaroid use, cost varies on film and development
- » upgraded and parent photo books, \$15/page, duplicate and extra albums begin at \$500
- » custom photobooth backdrop, cost varies
